

Letter from the Rector

Welcome to the Anglican Church family which comes together for worship at St. Peter's Church, Wynnum.

The Vision Statement for the Parish states:
"As members of the Body of Christ the Church we aim to be witnesses for God in our daily life, so that all people may be able to experience the Life changing qualities made known and available through Jesus Christ, in the power of the Holy Spirit."

For over 100 years this parish has cared for the people of the Wynnum/Manly area. During that time we have endeavoured to teach and proclaim the love of Jesus through prayer, worship and the regular use of the Sacraments of the Church.

We pray that you will find us to be welcoming, friendly, inclusive, and caring. We seek to offer worship that gives Christ glory. We seek to be a community that enables and empowers your God given gifts. We seek to be a place where your faith can be disciples and your life enriched through our life together. We seek to be a place where the generosity, care, and love God is expressed as we seek to build a Christian Community. We seek to enable everybody's ministry.

We welcome you and pray that you will find your spiritual home among us.
